

Note from the Director

"When I'm stuck with a day that's gray and lonely, I just stick up my chin and grin and say: The sun'll come out tomorrow, so ya gotta hang on 'till tomorrow, come what may!" As a first-year teacher, I have come to appreciate these lyrics in a whole new way: sometimes, all we can do is hang on 'till tomorrow. Good thing it's only a day away!! Watching each and every member of this cast grow has inspired me more than I can say. Break a leg, everyone: so much love! This year couldn't have happened without you!

-Ms. Gibbons
